

WELCOME TO GRADE 6!

We are very excited and looking forward to the fall. Many students ask about a supply list, so the following items will help you prepare for a successful start.

- One 3" binder (without built-in folders/accordion files)
- 9 dividers (No folders)
- white lined, 3 hole punched paper (not spiral bound paper)
- pencil pouch
- pencils
- blue or black pens
- reinforcers
- composition book for science (black and white)

Folders are highly discouraged as we instruct students to hole punch and file each paper daily. Folders create a place to accumulate papers that are not necessary. It also makes finding homework papers time consuming in class.

Markers, rulers, colored-pencils, glue sticks, scissors and tape are available in each classroom. If you want to carry your own materials mentioned above, they should be kept in your locker, or in your study area at home.

Enjoy the summer. We look forward to seeing you in August.
