

Dear Parents and Guardians of Graduating Seniors,

The time you have all been anxiously awaiting is almost here. What better way to congratulate your graduate than with a reminder of what they used to look like? Wouldn't it be great to see them as babies in the same book that records their final high school year?

Baby pictures, as part of our 2017 yearbook, are a fun way to let your child know how you feel and to wish them well in the future.

The cost of including your graduate's baby picture, as well as an accompanying message is as follows:

- 1/8 of a page - \$65. For One picture and a brief message (50-60 words)
- 1/4 of a page - \$115. Two pictures and a brief message (50-60 words) OR one picture and a slightly longer message (90-100 words)
- 1/2 of a page - \$250. Four pictures and a message (not to exceed 150 words)
- Full page - \$350. – Four to eight pictures and a message

This year our school is working with Jostens, our Yearbook provider, on the Baby-Ad portion of the yearbook. **The deadline for submissions is Feb. 16, 2017.**

To create a message, go online to Jostensadservice.com.

Not only is a baby picture a great send off, it also plays an integral part in the creation of your graduate's senior yearbook.

Thank you!

Sincerely,
The 2017 Pinnacle Staff
