

What do Class Dues pay for?

Below is a “**per student**” breakdown of costs associated with senior year events that will be covered by class dues.

This information is being provided so that you can have an understanding of how dues and fundraising monies are spent. Please understand that the numbers shown below are based on averages from past years expenses. Items #1 through #6 are associated with the “senior class activities” and #7 is associated with Project Prom and Project Graduation for the “after prom” and “after graduation” events. The Project Prom/Graduation Group is a parent-driven committee with the task of raising funds for these two events above and beyond class dues.

I'm sure you understand that this is simply a guide and that costs are subject to change.

|---|--|

*The \$50 towards project prom and project graduation is used to offset (subsidize) the actual costs of these events. For example, the cruise on graduation night is approx. \$77 per student! The PPPG parent committee raises funds through separate fundraising for the balance of the costs for these events above and beyond class dues.

Additional information

***F/R.....Class tee-shirts/Favors.....*F/R**

- Designed class tee-shirt
- Class designed favors

*F/R = FUNDRAISING

These items may be purchased for seniors depending upon the monies raised through class fundraising efforts outside of class dues. These items are not included in class dues.
