Dear Alumni/Friends:

I am writing to you as an Alumni and friend. Exeter High School is very fortunate as a public school to have an Alumni Office. Among other things, in this room, we share memories!

I graduated in 1967 and have wonderful memories of those years with my family and friends. As I look back on those days, I remember we walked to and from school regardless of the weather because we only had one car. No backpacks. We carried our books unless you had a boyfriend who did and that usually meant you were "going steady." No Facebook. We communicated face to face. No cell phones. We had rotary phones. They are called land lines today. My parents never understood how I could talk so much on the phone after seeing that friend just shortly before. What could I possibly have to talk about? I played basketball but never got a basket. If they would have let the stationary guards cross mid court, I might have! Academically, I was your average student. I struggled in some subjects but always could count on my friends for help.

Exeter High School brings back wonderful memories, friendships and for the times I struggled , it just made me a better person today! Thank you, EHS.

Exeter High School has been a major contributor to our success and education. Let's carry this pride on to the next generation. With your help and support, we can continue to share those times, be it at Robinson Female Seminary, Tuck, or Exeter High School.

**Annual Giving Program** By making a donation to the Alumni Association you share your belief in our schools and our mission. Your tax deductible contribution will have an impact on our current and future Blue Hawks. Even during our infancy stage, we have been able to have two successful golf tournaments, memorable raffle calendars, successful brick campaign, upcoming Hawkfest and two scholarships to be awarded in 2013.

*The mission of the Exeter High School Alumni Association is to enrich the education and experience of future generations of Exeter High School graduates by uniting, informing, and involving alumni, friends, students, and faculty of Exeter High School and its predecessors, Tuck High School and Robinson Female Seminary, in charitable service and support to the school and in preserving the schools' history, traditions, and spirit.*

As an alumni and friend, I thank you.
