TD Bank—Affinity Program

Are you a TD Bank customer? If so, you could support the Exeter High School Alumni Association without even opening your wallet! Here's how the Affinity Program works: · A TD Bank customer designates Exeter High School Alumni Association as the non-profit of their choice (by visiting or calling a branch-there aren't even forms

to fill out) · TD Bank donates the bank's money to the Exeter High School Alumni Association based on a percentage of members' balances that have chosen us as their non-profit! This is an incredibly easy way to help support the Exeter High School Alumni Association year round, and all it takes is a phone call. Please, if you are already a

customer – or are thinking of becoming a TD Bank customer – designate the Exeter High School Alumni Association today or check with your local branch to learn more about the Affinity Program and how it can help the Exeter High School Alumni Association!
